Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 9/15/08

I HAVE CONCERNS ABOUT THE ADDED ROAD CONGESTION AND POLLUTION; WHICH WILL RESULT FROM MORE TRAINS.

THE INCREASE POTENTIAL FOR A TRAIN DERAILMENT AND WHAT WOULD BE SPILLED. SPECIFICALLY IN THE LAKE ZURICH HIGH SCHOOL AREA IS AN ISSUE.

THE DELAY IN FIRE & RESCUE SERVICE FOR PARTS OF THE VILLAGE IS OF CONCERN.
