Re: Docket No. AB-33 (Sub-No. 262X) Union Pacific Railroad Company – Abandonment
and Discontinuance of the Elm Industrial Lead in Fulton and Peoria Counties, IL

Dear Ms. Brown:

On April 6, 2022, the Village of Hanna City, Illinois (“Hanna City”) filed a Motion to Withdraw Motion for Issuance of a Substitute Notice of Interim Trail Use (NITU) and Motion for Adjustment of the Substitute NITU Negotiation Period (“Motions”) in the above-captioned proceeding. Union Pacific wishes to confirm Hanna City’s statement in the Motions with respect to termination of the purchase agreement between Hanna City and Union Pacific.

However, Union Pacific respectfully requests a one-year extension of time to determine whether to exercise its consummation authority. We have good cause for requesting this extension given the recent termination of the purchase agreement between Hanna City and Union Pacific. As such, we respectfully ask the Board to extend the period until March 30, 2023, to determine whether to exercise the authority granted by the Board on November 12, 2008.

If you have any questions, please contact me. Thank you for your assistance.

Sincerely,

Whitney C. Larkin
General Attorney
