My concerns for our community are affected by this merger are:

- increase train traffic
- environmental issues of derailed train
- safety issues of derailed train
- rail crossing of Metra / EJE will now be a place with increased rail traffic from both
- stalled trains blocking event in passageways that will impact it.

Police - security
Fire - access to timely put out of fires
medical - preventing ambulances to get to Good Shepherd Hospital

- noise factors
- exhaust fumes
- property valuation
- automobile traffic gridlock

Barrington is cut to pieces by - Rt 14, Rt 15, Main St
Metra R.R. & EJE

- relief is needed to EJE and Metra rails to be separated and under pass for automobiles at Rt 14 crossing
