I am totally against adding more train tracks to Aurora, IL Ward 10. This does not have any benefit to the city of Aurora, the second largest city in Illinois.

Why wasn't a scoping meeting held in our city?

Naperville, one of the five largest cities, is our neighbor to the East. Why wasn't a scoping meeting held in this community?

The impact to our city will be greater regarding the environment, such as the wildlife, the increased noise, the school busing. What about our Quiet Zone?

Please review this further. We moved from Chicago for the peace and quiet in our area, and hope you would reconsider this proposal.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
