Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 08.27.2008

Comments must be submitted by September 30, 2008.

I object to the proposed CN Railway acquisition of the EJ&E Railway
for the following reasons:

- adverse effect on public safety, specifically access to Good Shepherd Hospital in the event of a public emergency
 - access of firefighters
 - access of police
- adverse effect on individual health
 - access to Good Shepherd Hospital and doctors in the village
 - noise pollution affecting hearing & peace & quiet in the community
 - possible material spills - hazardous materials
 - detrimental effect on air quality
- economic damage to immediate & surrounding communities
- economic damage to individuals
 - adverse effect on property values
 - value of lost time waiting at crossings
 - value of gas waiting at crossings

THIS PROPOSED MERGER WOULD IRREVERSIBLY ALTER THE
QUALITY OF LIFE, THE SAFETY, THE HEALTH, and the
ECONOMIC VIABILITY OF THE BARRINGTON AREA.
