Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

As a resident of Barrington for 37 years it is distressing to see our town torn apart by the rail lines.

The end result will be - as soon as the ~~lines~~ ~~are~~ trains are moved from the city tracks to our town, you'll fill the city tracks with more train lines."

As one of your representatives answered me when I told him the above "If there are people who want to move freight on these lines we'll move it, it's our business".

YOUR INPUT IS IMPORTANT!
