Frankfort, IL

My name is Sharon Root, 324 Center Rd. I live right next to one of the railroad crossing. With this purchase train traffic will go from 8 trains a day to 30+ a day. Longer trains, bigger engines noise, safety are just some of my concerns. Please take the time to help us with this. The purchase of these tracks would have a very negative impact on several towns that all the trains will be passing through. Property values will decrease, what the trains will be carrying is another concern. Our house is one of the original farm houses in Frankfort. We moved to the town knowing trains would be passing, one every four hours. Our town has tried to maintain 1800's charm and has succeeded. Our community is growing who is going to want to move to our community now. Please help us in any way you can. Thank you for taking the time to read this and I hope to hear from you on this matter.
