Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/21/08

Comments must be submitted by September 30, 2008.

Barrington does not have the infrastructure for this
and it is unconscionable to expect us to pay
for remediation to benefit CN's bottom line.

It appears that much of the data used in the
EIS was inaccurate or incomplete. The STB needs
to more fully understand the devastating impact
this will have on our community.

SAFETY - we need access to hospitals

School Bus crossings 800+ per day

General traffic - we will be burdened
with TOTAL GRIDLOCK -
benefits don't outweigh these
drastic implications

YOUR INPUT IS IMPORTANT!
