How will CN's proposed acquisition of the EJ&E impact you?

- I am opposed to this acquisition because:
- 1.) Will detrimentally impact emergency vehicle response i.e. Police - Fire - Ambulance - Utility - Schools, Etc.
 - 2.) Rush hour traffic stoppages which will also impact emergency vehicle response due to clogged intersections blocks away from RR crossings.
 - 3.) Severely interferes with inter & intra state
 - 4.) Pollution if spills occur which they ^{common} do often with CN. (Bio-Chemo)
 - 5.) Increased fatalities due to accidents and interference with emergency vehicle en route to an emergency.
 - 6.) 10-15 min. delays occurring at RR crossings 20 to 30 times per day.
 - 7.) Lost local business
 - 8.) Noise pollution
