Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-2008

Comments must be submitted by September 30, 2008.

So many safety issues have been ignored.
Issues from keeping our drinking water safe,
our residents safe from train accidents +
a delay in emergency transportation to the
hospital.

We take pride in our community, want
to keep businesses in downtown Barrington
and we are concerned about a clean environment.

CN only sees dollar signs for their
company & they don't care about the
people living in the communities they
will disrupt.

YOUR INPUT IS IMPORTANT!
