The impact of this railroad will be horrendous on people in communities that are being built and haven't been there in the past. The railroad tracks don't go through farmland anymore, they go through residential areas. People are living with small children, have to get to schools, have to get to hospitals, have to get to their jobs. It's not a good thing. And my name is Charlene Herman and I live at 25008 Wright Lane, a block east of the railroad tracks. It's in Plainfield IL and it's going to be a horrendous thing. Please, please don't let this pass. Okay, thank you. Bye.
