Re: STB Docket No. AB-290 (Sub-No. 192X), Norfolk Southern Railway
Company - Abandonment Exemption - In Anderson and Woodford Counties, KY

Dear Ms. Quinlan:

Norfolk Southern Railway Company (NSR) has conveyed the right-of-way and appurtenances of the line of railroad that was the subject of the proceeding referenced in the caption to Young's High Bridge Historical Society, LLC, by deeds dated July 8, 2008, pursuant to the NITU issued by the Board in this proceeding. The deeds provide that the transferee covenants to grant to the Anderson County Fiscal Court and/or Lawrenceburg City Council an easement for operation of a recreational trail in accordance with the National Trails System Act.

In view of the outstanding NHPA Section 106 process condition, the deeds contain covenants that require the transferee to maintain and preserve the subject line and structures (exclusive of rails and crossties) in their appearance and condition on the date of the deeds and not to perform any construction or alteration of the line (exclusive of the rails and crossties) without the express permission of the Kentucky Heritage Council.

Very truly yours,

James R. Paschall
