How will CN's proposed acquisition of the EJ&E impact you?

1. Delay of Police & Fire when seconds count.
2. More TRAINS increase odds of TRAIN/pedestrian/
Auto crash. School BUS !!
3. More TRAINS more chance of derail, TOXIC SPILL
4. OVER TWO hours of Blocked crossings
IN A 24 hour period
5. Disruption of traffic, MAJOR Disruption of traffic,
ES&E HAS two grade crossings within blocks
of Downtown Barrington's Highway & MAIN intersection.
6. As simple task of running to the store will
be dramatically changed.
