1 MS. FRANKENBERG: It's Kari, K-A-R-I,
2 Frankenberg, F-R-A-N-K-E-N-B-E-R-G.
3 I've been very active with the
4 schools, I've been PTO president of three

5 different schools, and I'm currently a realtor in
6 Barrington. And I just wanted to voice my concern
7 against the CN railroad purchasing the railroad
8 track in Barrington because of safety issues.

9 First of all, with all the 840
10 buses that would cross the tracks during the
11 course of the day.

12 Secondly, access to Good Shepherd
13 Hospital from a safety prevention point of view.

14 And the third comment would be from
15 a real estate perspective point of view. So many
16 of the train tracks are just outside the back
17 doors of residents who have small children. And
18 it's just a huge concern.

19 So I'd like CN to do something to
20 protect our citizens from the sound and also so we
21 can provide access. There needs to be some
22 underpasses or overpasses that they need to
23 mitigate in order to solve some of these safety
24 issues.
