CSX Transportation, Inc. ("CSXT") hereby respectfully requests that the Board extend the thirty-page limitation for submissions to the Board set forth in 49 C.F.R. §§ 1116.2(d) and 1115.8. This matter involves the petition for review of an arbitration decision pursuant to 49 C.F.R. § 1115.8. CSXT believes that the Board will be best served if it has the same record before it as the New York Dock Section 11 arbitrator. Accordingly, CSXT requests that it be permitted to exceed the thirty-page limitation and file an Appendix to its Reply to the Sheet Metal Workers' International Association's ("SMWIA") Petition for Review, including CSXT's submissions to the Section 11 Arbitration Committee whose decision is the subject of the Petition for Review, as well as the exhibits submitted by CSXT to the Section 11 Committee. Petitioner SMWIA likewise sought and received permission to exceed the thirty-page limitation in order to submit portions of the record when filing its Petition for Review.

Wherefore, CSXT respectfully requests that the Board grant this motion to extend the 30-page limitation in connection with the Appendix to its Reply to SMWIA's Petition for Review.

Respectfully submitted,

Ronald M. Johnson
