Re: Canadian National Railway Company and Grand Trust Corporation -
Control - EJ&E West Company (STB Finance Docket No. 35087)

Dear Mr. Williams:

I am writing in reference to the prior letter of Ozinga Transportation, Inc. dated November 1, 2007 and submitted to the Surface Transportation Board in support of the proposed sale of the Elgin, Joliet & Eastern Railway to the Canadian National Railway. We are concerned about the potential negative impacts of the proposed transaction on communities as a result of increased rail traffic. We have supported the transaction because it makes sense for the metropolitan Chicago area, yet we want it understood that it is both important and necessary for the Canadian National Railway and Grand Trunk Corporation to resolve the concerns of local communities. We will be compelled to oppose the transaction if such concerns are not resolved.

Sincerely,

A handwritten signature in black ink, appearing to read "Bruce A. Betts".
