I am very concerned with the traffic delays & safety issues that will accompany those delays. The percentage of increase in the rail traffic will have devastating impact on vehicular traffic and the safety of those driving those vehicles!

The other impact which our community will no doubt feel more than most are the amount of rail line & rail crossings we have in the Barrington area. This will impact employees, employees, schools, the HOSPITAL! this could also have an economical impact to businesses in the area which could loose traffic to other communities because people may want to avoid the area.

Other issues of concern are environmental since the increase in rail traffic will mean more (more noise!) environmental hazards being moved through our community near housing developments, schools, etc.

The increase in this rail traffic (the projections) are way
