v.

NEOSHO COUNTY, KANSAS BOARD OF COMMISSIONERS
Defendant.

DOCKET NO. FD 36034

STATUS REPORT OF THE PARTIES FOR AUGUST 23, 2017

In the Declaratory Order with a service date of February 23, 2017, the Board directed that Sunflower Rail-Trails Conservancy, Inc. provide updates every six months on enforcement of the order nullifying the erroneous sale of three parcels of the railbanked corridor in Neosho County, Kansas. In an Agreed Journal Entry Vacating Portions of Judgment and Original Journal Entry in the District Court of Neosho County, Kansas (Case No. 2004 CV 28), it was agreed by all parties and the Court that the *"sale for delinquent ad valorem taxes of the following properties, on October 22, 2004, to the following individuals, shall be vacated, and such sale shall be null, void, and of no further force and effect."* Sunflower's attorney, Tom McFarland, stated that this action would "cleanse" Sunflower's title to the three parcels. Therefore, we conclude this case and thank the Board for its assistance.

Respectfully submitted,
