RE: Proposed Abandonment, Docket No. AB-55 (Sub No. 697X), Brunswick, Glynn Co.

Dear Mr. Geraci:

Staff of the Georgia Coastal Management Program has reviewed your May 21, 2009 letter and attachments for the above referenced action to abandon 0.31 miles of rail line from Railroad Milepost AOB534.36, east of Martin Luther King Blvd. just south of 1st Avenue, to Railroad Milepost AOB 534.67, east of Martin Luther King Blvd. just south of Prince Street, in Brunswick, Glynn County, Georgia. This proposed abandonment was included as a portion of a larger abandonment in February of 2008.

Abandonment of this 0.31-mile rail line is not likely to have impacts on coastal uses or resources. The Program concurs with your Federal Consistency Determination of No Effects. Thank you for your coordination on this project. Please feel free to contact me if I may be of any further assistance in this or other projects.

Sincerely,

A handwritten signature in cursive script that reads "Susan Shipman".
