1 MS. KURCAB: Linda Kurcab. That's  
2 K-U-R-C-A-B.  
3 My comments is this would ruin the  
4 town of Barrington, Illinois, because we already

5 have so many railroad crossings. And the whole  
6 town is the heart of a lot of railroad crossings,  
7 that it's hard enough to get through town in  
8 traffic, let alone the increase of more trains  
9 coming through, it would be a standstill, and  
10 thus, probably destroy the community.

11 The safety for the kids, the high  
12 schoolers coming to and from high school into the  
13 village, et cetera.

14 I just wanted to let my voice be  
15 heard. That's it.
