I am against the acquisition. I currently live in the Westridge Subdivision along with three other recently built housing developments. Over the last 10 years, West Bartlett Road has seen an increase in vehicle traffic between the hours of 6:00 to 9:00 a.m. In addition, every Tuesday through Thursday around 7:12 a.m. and 4:00pm Vehicles have to wait for freight traffic that lasts about 10 to 15 minutes. Due to these facts, I would like to see an over pass built for freight traffic if the acquisition is passed.

What scoping meeting did you attend? (Please circle one) Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
