Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

The track that CN is proposing to use intersects three major roads in and around Barrington causing massive traffic congestion and situations that place people crossing these intersections in unneeded dangerous situations. These intersections must be taken under guard to avoid the traffic.
