Acquisition of the Elgin, Joliet and Eastern Railway

STB Finance Docket No. 35087

Date: 8/27/08

It is very important in any deal to look at the impact of the assets involved, when the effects of a deal clearly create massive problems in so many areas. It is the government's responsibility to evaluate issues thoroughly. I can write many pages on this issue, but the bottom line is that there are no pros to our area. I have four children and the thought of their safety is frightening.
