Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 7-27-08

People in Barrington will be completely cut off from the Hospital. There are three intersections involved and all three will be cut off by the long trains that go past the 3 intersections continuously. In fact the southern part of town will be cut off from the northern part of town - people won't be able to get to their own homes if they happen to be out and want to get home.
