Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Environmental Impact Statement

Date: August 27-2008

Comments must be submitted by September 30, 2008.

No thought has been given to the impact on local business. If traffic on both Rt 59 and Main Street in downtown Barrington is blocked, - there is no other route through the town.

Also - as a Senior citizen, I am very concerned about access to the local hospital from where I [redacted] live.
