Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

After reading the report regarding the impact of the trains being added I was disappointed to understand how flawed the research was regarding the impact to traffic ~~at Barrington~~ in Barrington. The test was conducted on a holiday when school wasn't in session - how does this help anyone better understand impact? The research is not valid - I would expect more objectivity, at least...

Please don't do this to our community - our kids will not be safe.
