Boston and Maine Corporation--Abandonment Exemption--in New Haven County, CT

Boston & Maine Corporation (B&M) has filed a notice of exemption under 49 CFR 1152 Subpart F--Exempt Abandonments and Discontinuances to abandon an approximately 0.48-mile line of railroad on the Watertown Industrial Track between Engineering Station 19+50 (approximately milepost 0.94) and Engineering Station 44+66 (approximately milepost 1.42) in Waterbury, New Haven County, CT. The line traverses United States Postal Service Zip code 06701.

B&M has certified that: (1) no local traffic has moved over the line for at least 2 years; (2) any overhead traffic has been rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line R. Co.--Abandonment--Goshen, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial

revocation under 49 U.S.C. 10502(d) must be filed. Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on July 3, 1998, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),² and trail use/rail banking requests under 49 CFR 1152.29 must be filed by June 15, 1998. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by June 23, 1998, with: Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, N.W., Washington, DC 20423.

A copy of any petition filed with the Board should be sent to applicant's representative: John R. Nadolny, Esq., Boston and Maine Corporation, Law Department, Iron Horse Park, North Billerica, MA 01862.

If the verified notice contains false or misleading information, the exemption is void ab initio.

B&M has filed an environmental report which addresses the effects of the abandonment and discontinuance, if any, on the environment and historic resources. The Section of Environmental Analysis (SEA) will issue an environmental assessment (EA) by June 8, 1998. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board,

Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

Washington, DC 20423) or by calling SEA, at (202) 565-1545. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), B&M shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by B&M's filing of a notice of consummation by June 3, 1999, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.
