SURFACE TRANSPORTATION BOARD

DECISION

Docket No. MCF 21141

VAN POOL TRANSPORTATION LLC AND AG VAN POOL HOLDINGS, LP—
CONTINUANCE IN CONTROL—ROLLING V BUS CORP. AND
STS OF NEW MEXICO, LLC

Decided: February 2, 2026

By notice served and published in the Federal Register on December 23, 2025 (90 Fed. Reg. 60,223), the Board tentatively approved an application by Van Pool Transportation LLC and AG Van Pool Holdings, LP (collectively, Applicants), both noncarriers, to continue in control of two of Applicants' subsidiaries—Rolling V Bus Corp. (Rolling V) and STS of New Mexico, LLC (STS)—upon Rolling V and STS becoming federally regulated passenger motor carriers.

The Board's December 23, 2025 notice established a deadline of February 6, 2026, for comments on the application and, if comments were filed, a deadline of February 23, 2026, for reply comments. The notice provided that, if no opposing comments were filed by the February 6, 2026 deadline, then the notice would be effective without further action by the Board on February 7, 2026.

The foregoing comment deadlines and tentative effective date might be affected by the current lapse in the Board's appropriation and resulting cessation of operations. If funding has been restored and the Board resumes operations on or before February 6, 2026, then the comment deadlines and the effective date (if no comments are filed) that were established in the December 23, 2025 notice will remain in effect.

If, however, the Board does not resume operations on or before February 6, 2026, then all the comment deadlines and effective date established in the December 23, 2025 notice will be tolled. In that case, a further order regarding the submission of comments and the effective date will be issued upon resumption of the Board's operations.

It is ordered:

1. The deadlines and tentative effective date that the Board established in its December 23, 2025 notice in this proceeding are conditionally tolled as discussed above.

2. A copy of this notice will be served on: (1) the U.S. Department of Transportation, Federal Motor Carrier Safety Administration, 1200 New Jersey Avenue, S.E., Washington,

DC 20590; (2) the U.S. Department of Justice, Antitrust Division, 10th Street & Pennsylvania Avenue, N.W., Washington, DC 20530; and (3) the U.S. Department of Transportation, Office of the General Counsel, 1200 New Jersey Avenue, S.E., Washington, DC 20590.

Decided: February 2, 2026.

By the Board, Board Members Fuchs, Hedlund, and Schultz.
