Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: Aug. 27, 2008

Comments must be submitted by September 30, 2008.

- no review of alternatives
- no real money to solve the problems they create
- Emergency vehicles - fire trucks, ambulances will have to wait for 5 minutes or more at tracks while houses are burning and people are dying
- Loss of community integration - fairs, activities
- Regional business will be impacted
- Housing values will plummet
- Noise of many freight trains going through the village is not conducive to a quiet bedroom community
