

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8/27/08

I LIVE IN THE CENTER OF BARRINGTON- THE INCREASE IN TRAFFIC CAUSED BY THESE TRAINS WILL MAKE IT VIRTUALLY IMPOSSIBLE TO GET TO THE STORE, MY JOB OR PERHAPS THE HOSPITAL IN A TIMELY WAY. IF I CANNOT GET OUT OF MY DRIVEWAY EASILY, MY ABILITY TO CONDUCT MY LIFE IS IMPAIRED. WHY WOULD THE EASE AND COMFORT OF THE CANADIAN NATIONAL BE MORE IMPORTANT THAN THE SAFETY OF OUR COMMUNITY? THERE MUST BE ANOTHER WAY. THIS SIMPLY CANNOT BE ALLOWED.
