Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

Having this train line come thru our town of
Barrington will bring major concern to me for
my childrens safety to & from school. My
husband commutes into Chicago which will
cause major delays. Do you think kids should ride
a school bus for 70-90 min?? Not to mention what
this addl "traffic" congestion. Our environmental
concerns will for sure heighten. Find another
alternative for freight transport - it's not needed
to run thru communities where safety &
health is at great risk. At what cost are you willing
to take?? Do you want your families
exposed??

YOUR INPUT IS IMPORTANT!
