Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

Do you realize what serious legal difficulty
you would be in when the first fatality
occurs in an ambulance or because one could not
reach a home/apt. in an emergency because the EM
vehicle ~~is~~ was stopped by a freight train?

Or do you realize how many fatalities would
occur because more people would try to "beat"
the oncoming train?

YOUR INPUT IS IMPORTANT!
