Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

While we're aware about our community
concerns & "what if's", CN has ignored all.

Our community fears the unanswered questions,
unaddressed issues.

Who is here to protect us?

CN has refused to take direction that if
the proposed route, they will use the line
already.

This is not the democratic way!

CN has not given adequate notice to that
our safety concerns will be addressed adequately.

YOUR INPUT IS IMPORTANT!
