Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

The impact of the C41 increased rail traffic on the current E54+E line will greatly impact the medical emergency care of the people in the Barrington Region. Being an employee of Good Shepherd Hospital, I am greatly concerned about delays in medical care when life threatening illnesses are in need of care.
