1 Gail Henry, H-e-n-r-y.

2 I agree with everything my
3 husband said. But one of my concerns is

082508 Gail Henry.txt

4 Frankfort was founded in 1869, and a lot of
5 the houses were built between 1869 and
6 1900. They are framed structures with old
7 windows. They can't take the vibration.

8 People near the tracks have
9 cracks in their walls. They have to repair
10 the cracks yearly. It's a small, sleepy
11 town. And this train coming through how
12 many times a day? 30? It's going to ruin
13 the town. No one will ever want to live
14 there, and we will never sell our houses.
