RE: STB AB 295 (sub. # 7X)

Dear Mrs. Brown:

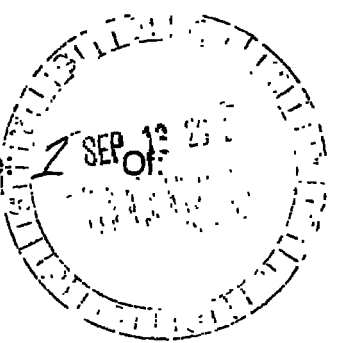

Please do not grant another Enlargement of Time
to Rails to Trails.

We are all still very much against a Trail
thru our property.

We have been paying taxes on this land and
never gave permission to the railroad to use
it for any other purpose other than a Railroad.
The land is very remote and not suitable for
public use. There are no public rest rooms or
places to eat. Not many people can walk or
run 50 miles (round trip) with no services.

Sincerely,

Everett & June Patrick

We, the undersigned landowners, of land, owned in fee simple, existing beneath, the section of railroad, proposed for abandonment, by The Indiana Railroad Co., traversing from within the City of Bedford, through the town of Williams, to Crane, all in Indiana; protest the conversion of this rail bed, to a hiking-recreational trail. We claim any rights of easements, regarding this property, should revert to the underlying and/or adjoining landowners; for various legal and other reasons:
