I oppose the Canadian National Railway Acquisition of EJ&E Railway. This will cause great stress and pollution in our community. We should think about our kids and there safety, not trains & profits. IF you have tracks in Chicago already why do you want to move, stay where you are at and leave us alone. There is no room for you in Bartlett. West Bartlett Rd. is a mess now just imagine when there is a train every hour stopped. Not Good for Public Safety and No Good for you. Please stay away it's the smart thing to do. God forbid anything happens to my family if there is a train stopped and no police or Fire Dept. can't get through. Think about it. You lose more money.
