Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: August 27, 2008

Comments must be submitted by September 30, 2008.

The proposed increase in the EJ&E freight train traffic through the EJ&E railroad crossings in the Village of Barrington will cause unreasonable delays for all vehicle traffic, including fire, police, and other emergency vehicles.

The results (FINDINGS) of a proper environmental impact study should also be given serious consideration.

Thank you for the opportunity to comment.
