

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 08/26/08

Life & death First responder impacts are downplayed.

When dealing with brain tissue & heart muscle time is the essence. We need to get all patients in dire need of emergency medical care to the ~~closest~~ closest hospital within a timely manner for best possible outcomes for the patients.

[illegible]

Joliet
