RE: Docket No. EP 770 (Sub No. 1), Urgent Issues in Freight Rail Service—Railroad Reporting

Dear Ms. Brown:

BNSF hereby submits the attached employment data for May 2022 in accordance with the Board's May 6, 2022 and June 13, 2022 decisions in the above-referenced proceeding. In the June 13 decision, the Board ordered railroads to supplement their monthly employment reporting already required pursuant to the May 6 decision as follows:

The Carriers will now be required to include, in their monthly employment data and service recovery plans: (i) how many trainees entered training; (ii) how many trainees dropped out of training; (iii) how many trainees completed training; and (iv) how many trainees are currently in training. Carriers should report the data for each railroad operating division to the maximum extent practicable in addition to reporting on a system-wide basis.

We have included this trainee data on the attached spreadsheet, which follows the template provided by OPAGAC on June 14.

Please contact me if you have any questions.

Sincerely,
