Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

Please, please do not accept the CN proposal. I am
a resident of 324-108 Subdivision in Lake
Berk. The current CN line runs through my
backyard - 70ft. from my home. My concerns
are:

1) Safety - blocking both Sta + Cuts will
cause a severe problem with accessibility
to our home in an emergency.

- School Buses

- Driveways (in my backyard?)

2) Traffic - goes w/out signs - a mess
with occlusion with 20 hours or
more a day

3) House Value - Will be lower in IL
more so in IL substantially for the
sale of my home.

This is only good for the pockets of
CN, not the residents of the area.

YOUR INPUT IS IMPORTANT!
