Josh and Vicki, I expect to submit a letter seeking a waiver of the 6 months' advance notice request early next week. Also I'd like to find out informally if that is possible whether the OEA would approve ENSAFE as the independent environmental consultant on this matter. While ENSAFE did submit a proposal to do work, it has never been engaged by the client as I understand it. It is my understanding that the OEA has found them qualified to work as an environmental consultant from a general perspective. If you see ENSAFE's selection as a problem, we will pick another consultant. Do you need me to request ENSAFE in a formal letter or is this email good enough?

Please note our new address effective 12/09/2013
