Muriel Cozzi, 201 Mulberry Road, Frankfort IL 60423. I am extremely concerned about this acquisition of the EJ&E railroad. The increase of trains, railroad crossings, the safety of children as they travel to and from school as well as property values of homes lining the tracks are of significant concern. The villages that will be impacted were not planned around excessive railroad use and simply did not consider it as a possibility for the future. The increase of train traffic is simply unfair and placing the public in danger as they travel and live in proximity to the tracks. I feel that this acquisition should not be allowed. Thank you.
