Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-28-08

Comments must be submitted by September 30, 2008.

We are very concerned about
the run off from hazardous waste
contaminating our drinking water
and Hawley lake. The EJE
railroad runs next to both Hawthorne
and Hawley lakes so run off from
20 daily trains severely increases the
contamination of these lakes and the
wells from which we all get our
drinking water. Pls do not allow
this acquisition to take place.

YOUR INPUT IS IMPORTANT!
