Draft Environmental Impact Statement for the

Acquisition of the Elgin, Joliet and Eastern Railway

STB Finance Docket No. 35087

I am strongly opposed to the CN railway because I feel it will affect the community in which I grew up in & now am raising my family here. Barrington has always had a horse town feel. It has been a safe place to raise children. With 24 freight tracks crossing through our town, we are jeopardizing our kids safety. There will be traffic jams all day long. Ambulances & fire trucks will not be able to get through. Our property values will decrease as they have already. We need to stop this action. No freight trains through our town. We demand a safe & non-congested town.
