Subject: Docket No. FD35952

Dear Mr Navecky,

I am firmly AGAINST Docket
No. FD35952.

My home is located less than $\frac{1}{8}$ mile
from the RR spur line. When constructed the
spur line will destroy the drainage ditch which
controls surface water around my home.

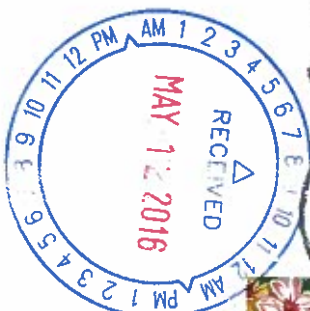

For this reason and many more I am
AGAINST Docket No. FD35952.

Sincerely,

Kenneth McCormick
