Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-09

Comments must be submitted by September 30, 2008.

We are opposed to the sale of the EJE
to the CN Railway.

We are concerned of the direct impact
the sale will have on are business that
is contiguous to the Rail Road on Lake Zurich
Rd.

The sale will limit our ability to lease
space and bring in new business to the
Barrington Area.

The long delays and potential for a
catastrophic accident along the rail line will
diminish our ability to lease or sell
real estate in this region.

The impact shall lower our investment in this
Community

YOUR INPUT IS IMPORTANT!
