Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

I am interested in knowing what
kinds of goods will be transported?

Why can a company be allowed to
purchase this railroad when there are
not enough funds (govt. town, county + state,
+ company funds) to help all the
community members deal with the changes
and impact of this acquisition?

This should not be allowed until all
the impacts on the people are completely
known... and the funds + resources
are made available.

This is not the way for us to go GREEN!

YOUR INPUT IS IMPORTANT!
