Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8-27-08

I am against the acquisition of the E & C Railway. This will impact our entire community. Ambulances will not be able to reach the hospital. Emergency personnel can only do so much. Patients need to be in a hospital where cardiac catheterization and other treatments are available. Children will not be able to get to school or home because the high school is right at the tracks. The other schools will not be able to get the buses because they cross the tracks 8/9 times a day. Please reconsider and don't vote for this.
