As a resident of the village of Wayne, DuPage County, in the affected area of the proposed train usage increase -

We have a wonderful natural resource, The Pratt's Wayne Woods Forest Preserve - which is home to Nesting Sandhill Cranes, among other creatures. I expect the dramatic increase in Freight train traffic, as proposed, will cause havoc with the wildlife. I know it will certainly bring more noise, traffic congestion and pollution to the area. THIS proposal is detrimental to ALL LIFE FORMS - Animal + PLANT!

Please, please please! Do not approve this acquisition of the EJE by the CN RR.

THANK YOU,

Ann Marie Tigges
